

MICHAEL S. PURZYCKI
MAYOR

CITY OF WILMINGTON 2017 LEAF COLLECTION SCHEDULE

OCTOBER 2, 2017 - DECEMBER 15, 2017

Vacuum/Sweeper Collection

- See schedule on back for pick-up in your area.
- All leaves should be swept into the street, next to the curb.
- City sweeper or vacuum trucks will collect the leaves from the street.

Please note: Not all city streets can accommodate leaf vacuum services. In those cases, small amounts of leaves should be placed into brown PAPER BAGS and placed next to your recycling for curbside collection.

Curbside Collection

All leaves must be properly disposed of into brown PAPER BAGS and placed next to your recycling on your regular recycle collection day.

Private Contractors

If you use a private contractor to remove leaves from your property, please coordinate your leaf removal in accordance with this schedule, or have your contractor bag your leaves in brown paper bags and place bags at the curb on your recycling day.

Community Coordinated Leaf Clean-up Projects

To arrange a community-wide leaf clean-up and schedule collection, please contact the Public Works Call Center prior to your event: **302.576.3878**
